MOVIN' ON

*The Sun Slowly Slips Over The Hill
It Rises In The East — They Call It Dawn
Sages Call It Eternity — Other's What They Will
But For Us — Let's Call It MOVIN' ON*

*There Were The Athletes And All Their Brawn.
Hair Is Lost — Muscle Gone . . .
But We Still Call It MOVIN' ON*

*The Scholar Always Had His Book
The Lover His Cozy Nook
They Both Had To Get To Class
One On Time — The Other With The Help Of A Pass
One Would Let His Thoughts Wander Along
One Would Get The "A" — A Different Song,
But That's How It Happened — MOVIN' ON*

*As We Reminisce — We Remember The Sweetness
Of That Place Called Home;
But Also We Remember The Trips . . . Romania,
Paris, And The Glories That Were Rome
Some Thoughts Of The Future — Some Thoughts
Reluctantly Gone . . .
But That's The Way It Is, MOVIN' ON*

*Memories Left To Lay Shallow In Life's Earthly Dust
Grow Only More Pleasant When We Call On Our Mind To
Trust.*

*Why Is It "The Victories" Are Those That We Treasure?
Do We — The Losses — Shut Out, And Remember Only The
Pleasure?*

*Who Cares . . . That's For The Psychologist — We Say With
A Yawn . . .*

All We Know Is, That's How It Happened MOVIN' ON

*The Events Of The Days Gone By — The Trips, The People,
The God-Like, The Ungodly — Where . . . Where Is My
Steeple?*

*We Remember Best Those Voted "Most Likely To Succeed;"
We See Them Then . . . And Now, Falling As We All Do To
Society's Greed.*

*See — We Didn't Remake The Rose Colored Glasses,
We Didn't See Any Weeds In Our Lawn,
But They Were There —*

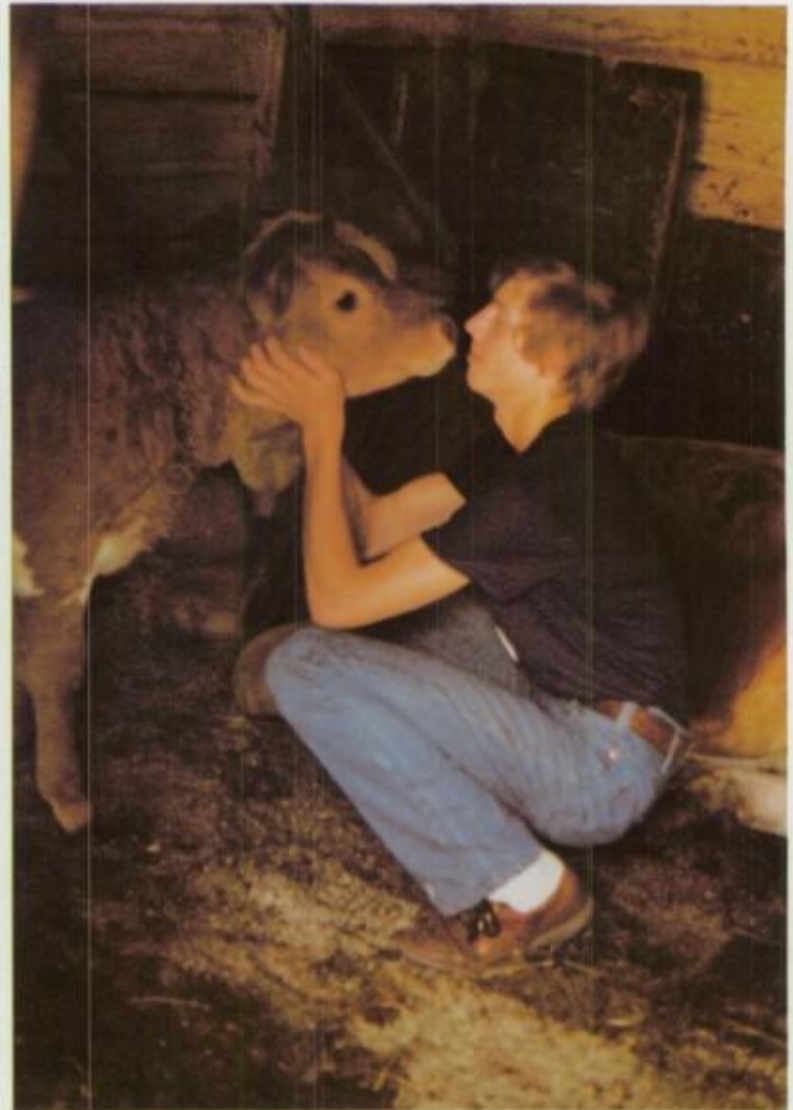

That's How It Happens —

Movin' On

Peter C. Davis

*To See A Different Place Or Scene,
To Experience Foreign Lands As A
Teen,
To Know What, "It's A Small World."
Really Means;
To Awaken Our Awareness: Make It
Keen*

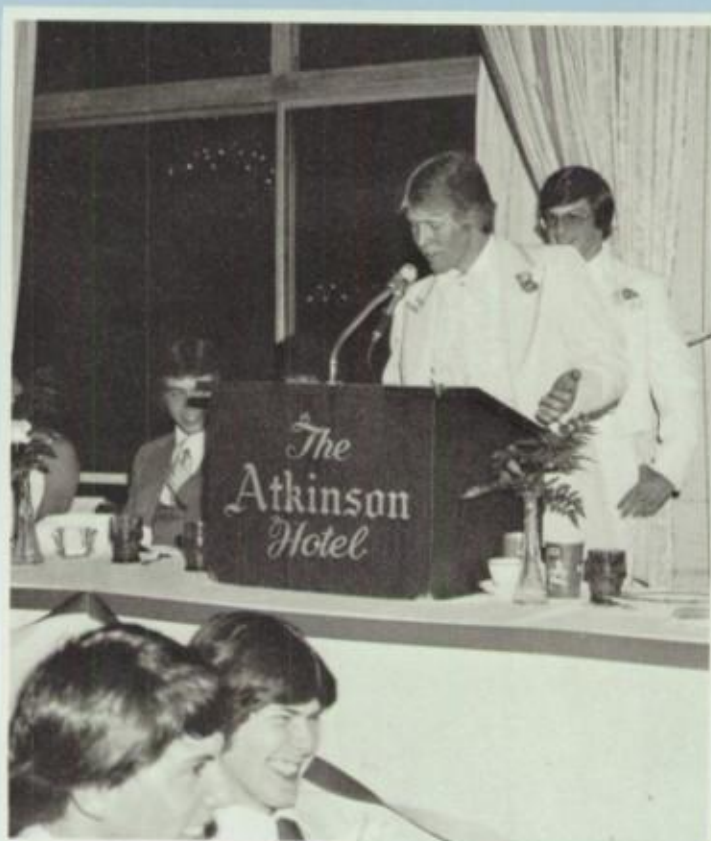

*To Learn Of Customs, Cultures, And Traditions Strong;
To Entertain, To Sing A Song,
These Experiences Are Never Forgotton, Never Gone.
They've Travelled Halfway Around The World ...
And Are Still Movin' On ...*

Seniors Honored

*The Juniors Threw A Party,
The Atkinson Was The Place;
There Was Fun, Food And Dancing,
And A Smile On Every Face.
This Was A "Farewell" To The Seniors,
Their Year Was Nearly Gone;
They Might Not Know Their Future,
But They Knew They Were Movin' On!*

Frosh Night

*A Beginning For The Freshman Crew.
The Seniors Introduce Them As H.S.'s New
New And Fresh, Spirits High
Aspirations That Reach The Sky.
Memories Of This Night Will Linger Long,
But So Will The Fact That They're Movin'
On!
We Can Not Make Time Stand Still,
We Wouldn't Want To, We Never Will.
But We Wish We Had Some Hidden Power
To Slow Our World, To Muse, To Yawn,
To Keep From So Quickly . . . Movin' On*

The Day

*A Spirit Breakfast To Start
The Day,
Football Players With
Words
To Say.
Cheerleaders To Lead A
Cheer,
Student Body Loud To Hear.
Pyramids And Zany Groups
All Part Of The Warrior
Troups.
Crazy Antics From 8 Til 2.
Then "THEY" Started Some-
thing New . . .*

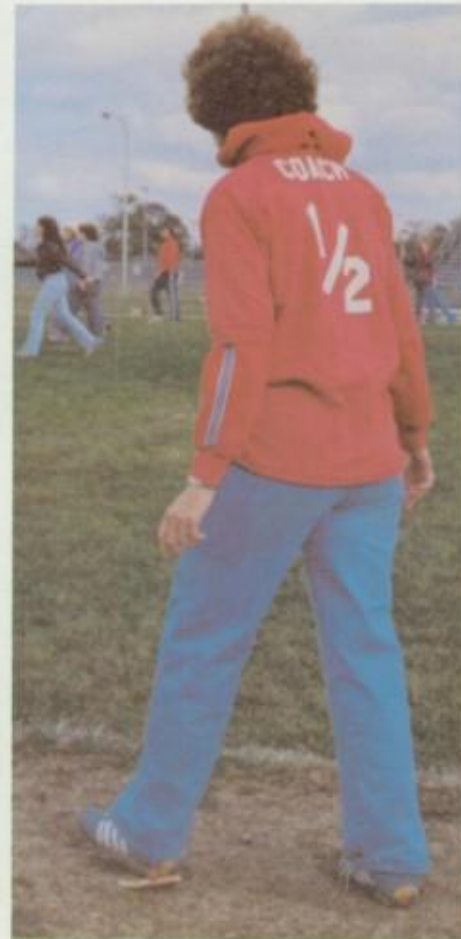

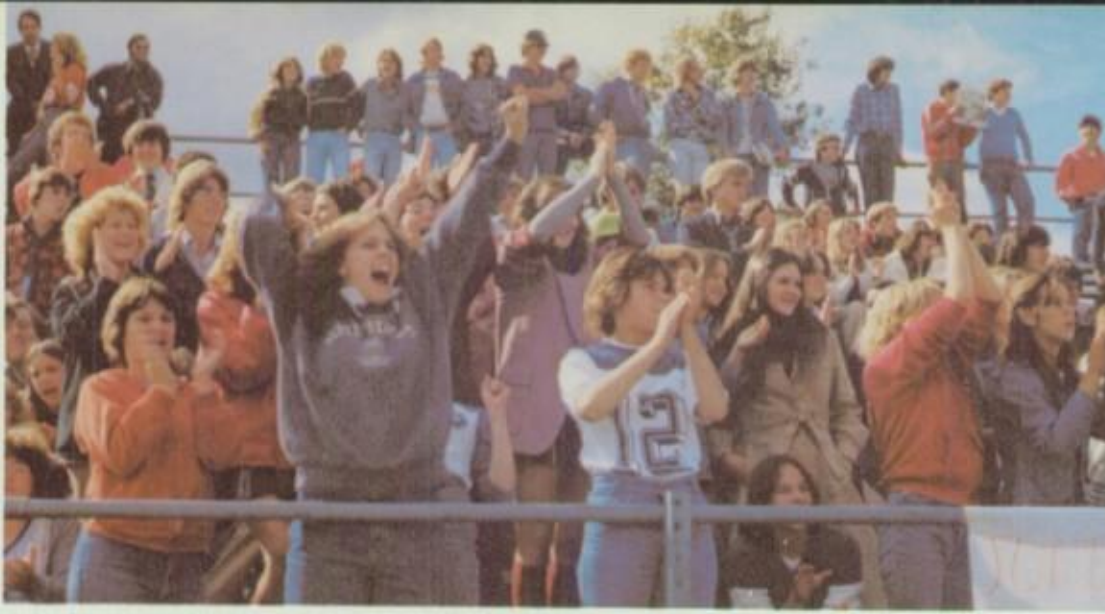

Homecoming

***Powder Puff — A Bit Of Fluff,
But They Showed Us
They Were Really "Tuff."
The Final Score Was 8 To 20;
Those Gals Brought Us Fun
A Plenty
Yes They Brought Danville
Fame
When They Took To The Field
For That Historic Game.***

*The Evening Activities Were
Just As Bright
Only The Game Was
"Out Of Sight"
Queen Carole Was "Her
Majesty"
The Senior Float — A
Victory!
Smoke Signals In The Sky
Bid That Awful Bird
"Goodbye."
We Didn't Like That Year —
Long Song;
Now The Sun Will Rise,
'Cause We're Movin' On!!!*

Goin' Grads

A smile, a friend, a boring class,
The years we thought would never pass;
Hopes and dreams, the goals we've set:
We will challenge time and meet them yet.

Here we are at the end,
Yet still at the beginning;
We walk up that path knowing
That life isn't always winning.

It is through our chosen pathways
We will do it,
Walking in *Faith* will assure
Our way through it.
Soon our today will be part of the past
And our tomorrow will happen at last.

Let us bring laughter to each passing day,
Let us remember the past in that way.
As we go through the rain and the mist,
We must not, the changing time resist.

The days come back as the old ones will
Keep dear their memory, and keep their thrill.
Now, as we stop to wonder where all the time
has gone,
We cannot help but shed a tear, and know we're
MOVIN' ON!

LOOKING TO The FUTURE CLASS OF '83

LOOKING - WHEN
SENIORS WERE FROSH!

All Cheer!!!

Warriors Are Number One!

Athletics have changed over the years. From football's no pads & a helmet without a face mask, to huge shoulder pads & a helmet full of protective shielding; from basketball's granny & one-handed shots, to the slam dunk and a variety of fancy fakes. And from the girls just watching the sports, to playing in just about any they want. Many surrounding schools have their favorite and big stand-out stars, but at Danville High School, all who participate in the athletics are the stars. Through all the long hours of practice and conditioning, comes the final phase: A winning team, and no matter what the score is, our athlete's are always winners. All are treated as one, and this is how, over the years, D.H.S. has "moved on" to success in their athletic programs.

Golf

Our Cup Of Tee!

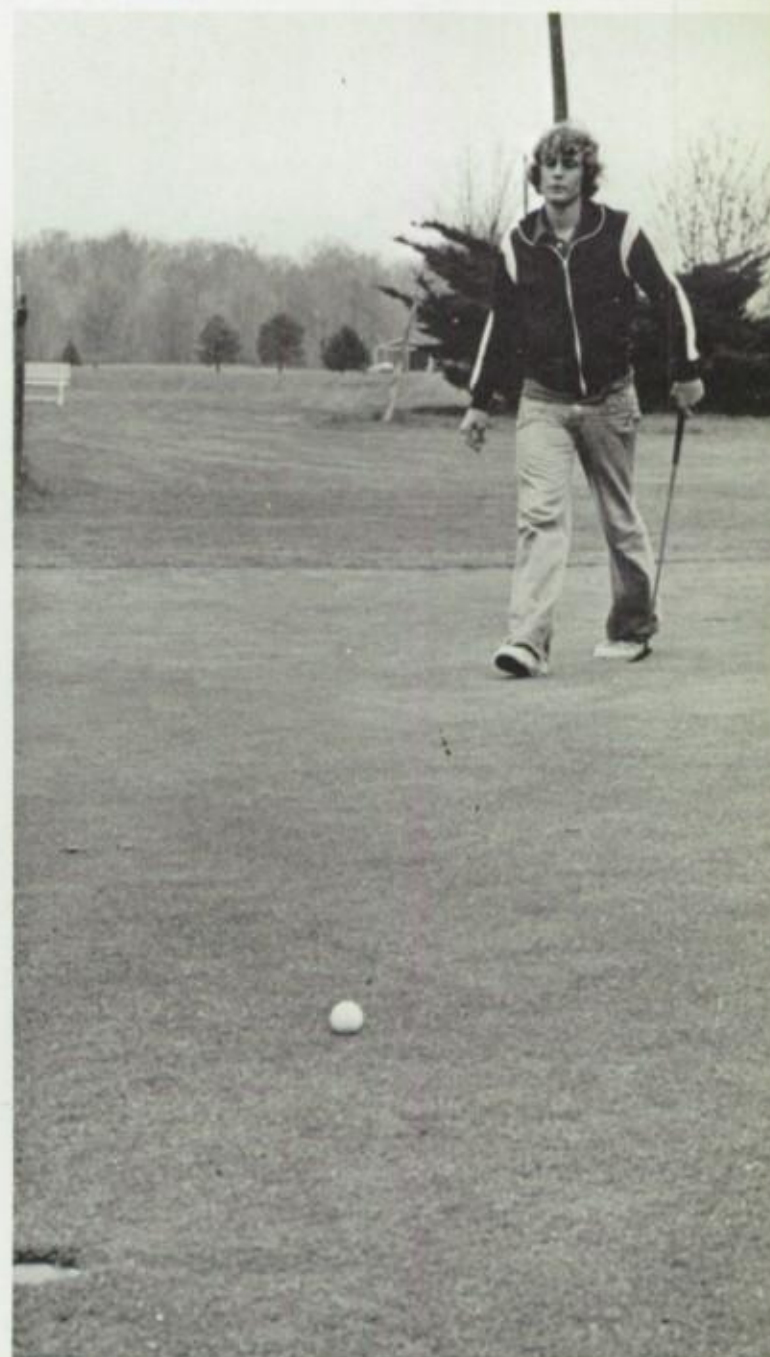

The 1979 Warrior Golf Team had several outstanding performers throughout the season, one of whom was Senior Bill Kirtley, who qualified for the state regionals. Sophomore Greg Scott, and Freshman, Jeff Shelton both made great contributions to the Golf Team. The squad finished with a fine 10-6 season, and finished an excellent fourth out of sixteen teams in the Lebanon Sectional.

First year as head coach, Mr. Lentz was very pleased with his Golf Team and the outcome of the season. Mr. Lentz is hoping for a county and sectional championship team in the 1980 golf season. His positive thinking is due to having most of his top golfers back for another season.

Makin' Tracks

The girls track team had a rough way to go this past season, however their determination made them as successful as any other sport at D.H.S. With people like Janet Schoening in the softball throw and Kathy Eddy in the high jump the team really had solid leadership. The 440 relay team of Eddy, Templeton, Zigler and Velasquez captured the title of "Champions" in the 1979 Hendricks County Track Meet. Two girls qualified for sectionals, Kathy Eddy in the high jump with a jump of 4'10" and Janet Schoening with a softball throw of 205'8". This kind of talent is developed through hard work and determination and this quality will help to make next year's squad a very successful one.

Row 1 — T. Hinkle, B. Zimmerman, B. Summerlot, K. Lofton, J. Reed, D. Beightol, MGR.

Keep On Trackin'

To participate in any track or field event, skill is required along with a great amount of determination and a desire to win. These qualities were present in the 1979 track team as seen in their overall season. It was in the county meet that outstanding performances were delivered! Rick Walker ran his way to being crowned county champion in the 880 yd. run, Brad Burnell and Baker Bradley finished as first runners-up in pole vault, and the 440 yd. dash. The team as a whole did an outstanding job of proving their skills. Throughout the season there were many outstanding improvements, such as Bret Zimmerman in the 880 yd. dash. As the season progressed more, the mile relay team of Rick & Randy Walker, Bob Frazier, and Baker Bradley, unofficially broke the school record. There were other outstanding members such as Dave Hodge and Frank Freeman in the low hurdles. Rick White and Rick Frye in the 2 mile, Bret Donaldson and Willie Johnson in high jump, and Bert Summerlot in the discus. The team as a whole, finished with an 8-6 record.

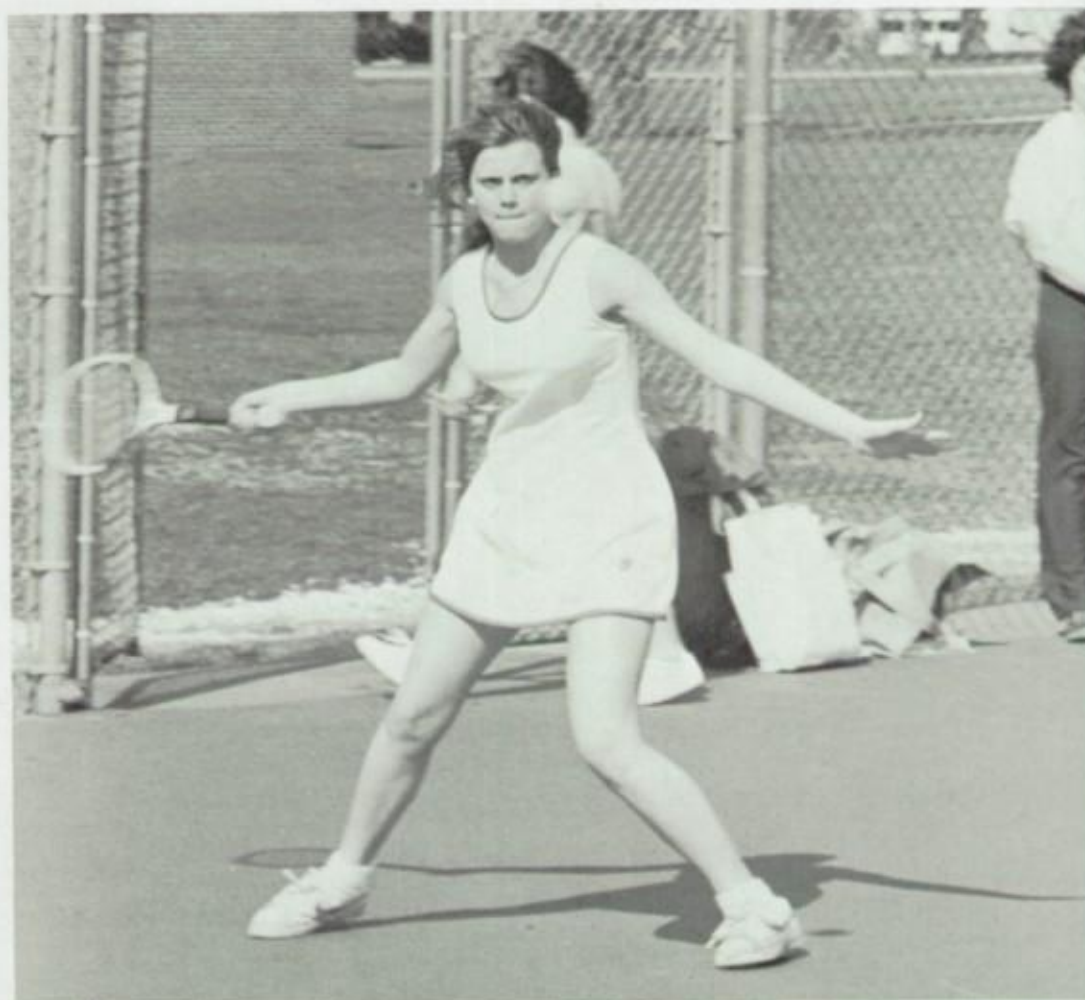

Artful Acers

The girl's varsity tennis team had an outstanding season last spring, for in addition to finishing the regular season at a 7-3 pace, the girls tennis team finished third out of eighteen teams at the Ben Davis Sectional. The Warriors were defeated only by the North Central and Brebuf. Senior Cynthia Runyan anchored the team all season long at number one singles, finishing with a 7-3 season. The number one doubles team of Carole Kieffer and Kathy Birchler also played consistently fine tennis to finish their season at a record of 8-2. The team finished a fine season as the "Most Valuable" award was given to Cynthia Runyan and the "Most Improved" was given to Tammy Lynch, also Tammy Cloncs received "Most Valuable" for the Reserve Squad.

Game, Set, Match

Is it Borg, or is it Connors? No. It's the Danville Tennis Team. The Boy's team this year was loaded with talented players many of whom still have a year or more left at DHS.

The team got off to a slow start but rallied for a 9-10 season. The season's highlight was the team's advancement to the final four of the Crawfordsville Sectional. Outstanding play was consistently seen in Joe Keen at number three singles. "Coach Mowery commented," As he finished the season with a 14-5 record.

Sectional Champs . . . A Big Hit

The 1979 Varsity baseball team finished the season with a 13-9 record and captured the first baseball sectional for Danville since 1970. First year head coach, Ron Cadle summed up the season by saying, "We had a lot of ups and downs, but anytime you end up the year with a sectional title you can call the season a success." The warriors came extremely close to being bumped out of the sectional in the first game by Greencastle. Danville was behind 11-1 when the Warrior bats blasted in 16 runs in one inning and went on to barely win 18-17. South Putnam was the next victim losing 6-1. In the

championship game, the Warriors downed county rival Cascade to take home the trophy. Danville then traveled to Bloomington to take on Bloomington North in the regional but lost 7-4. North went on to win the Regional.

Leading the Warriors to the sectional title was Senior Bob Bowman. Bob was voted the M.V.P. and not only was he the number one pitcher, but was a very close second in the batting race. Kelly Lehr won the batting trophy with a fine .377 average and played good defense at shortstop all year. Other outstanding Warriors were Junior Norm Fish providing the necessary leadership behind the plate, Junior Jeff Leath who cracked two home runs in the Cloverdale sectional game. Another Junior, Greg Bradley, pitched outstanding ball all season and Senior Bo Humphrey, who anchored the outfield in center and hit well all season, really helped to make the season as successful as it was.

Movin' On

The 1979 Warrior Cross Country team had a fine 11-2 season, finishing 2nd in the Brazil invitational and finishing as runner-up in the 1979 Hendricks County Cross Country meet.

This year's team was one of the strongest teams Coach Bradshaw has seen in a long time at D.H.S.

The team's seniors were Dave Gillespie, Troy Barnette, Bob Frazier, Rick White, Rick Frye, Rick Walker, and Randy Walker. The teams only girl, Molley Molloy, finished 7th in the girls state meet. Coming back next year is the best Freshman runner that D.H.S. has ever had, Bill Dillon. Mr. Bradshaw will depend on him and others to make the next year's season as big a success as was the 1979 Cross Country Season.

Sock It To 'Em

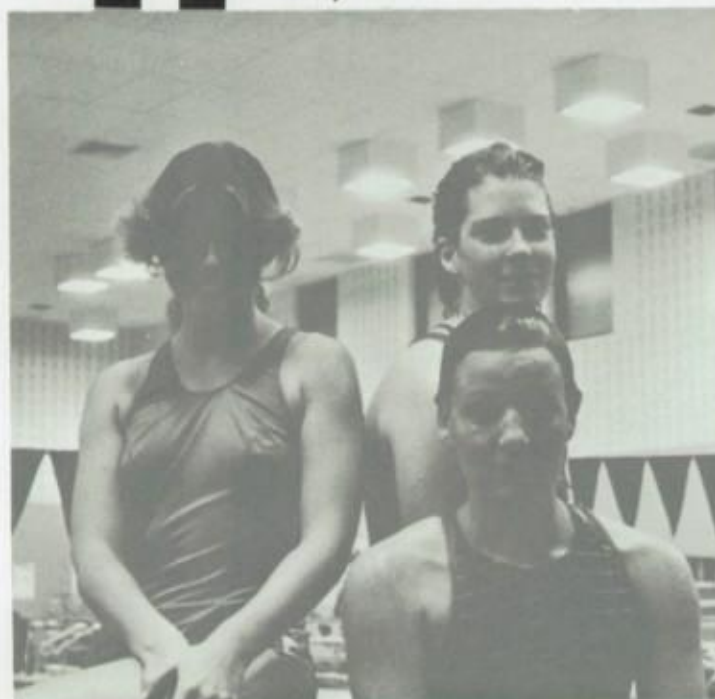

The 1979 Girls Volleyball Team had a very improved season according to Mr. Lentz. He was very pleased with the girls and their outcome. A record of 5-10 for the varsity, proved a pretty good season. Many of those games were close ones, with scores of (13-15), (15-12), and (15-17). This showed a lot of determination by our "Warrior Ladies." The success of the season was helped along with the Senior leadership of Lisa Fulmer, who was the most improved player and the team's most valuable player, Tammy Lynch. Jamie Smeaton made great contributions to the team as well as many other girls on the squad. The Reserves were headed by most improved Tammy Byrdwell. With a record of 5-9, Coach Richards was pleased as first year coach. The team next year will be a top contender with players like Terri Schoenrock and Julie Schoening coming back to offer their abilities towards the varsity's outcome.

Dry Docked

With apologies to author, Coleridge, from the *Rhyme of the Ancient Mariner*: "Water, Water everywhere but not a drop to" . . . swim in — Not at home, anyhow — This year the Swimmin' Wimmin' were the Galavantin' Gals — They saw, and swam in every pool within a 35 mile radius of Danville — but never in Danville's *Waterless Wonder* which looked at times like a giant sand-box. Undaunted, small in number but large in spirit, they traveled many miles, had some tears, but mostly smiles, and won 5 of their 11 meets.

Super Seniors include Debbie Hiatt, Diving Captain, Kim Mayer and Co-Captains Glenna McDonald and Linda Sutton. These gals will truly be missed next year.

They Made A Big Splash!

But Then, They Had A Pool!

Although the swim season is not over, the team has set new records and has won many meets. Although the team as a whole is not as strong as in the past three years, they have been a threat to many larger teams that have a more extensive program.

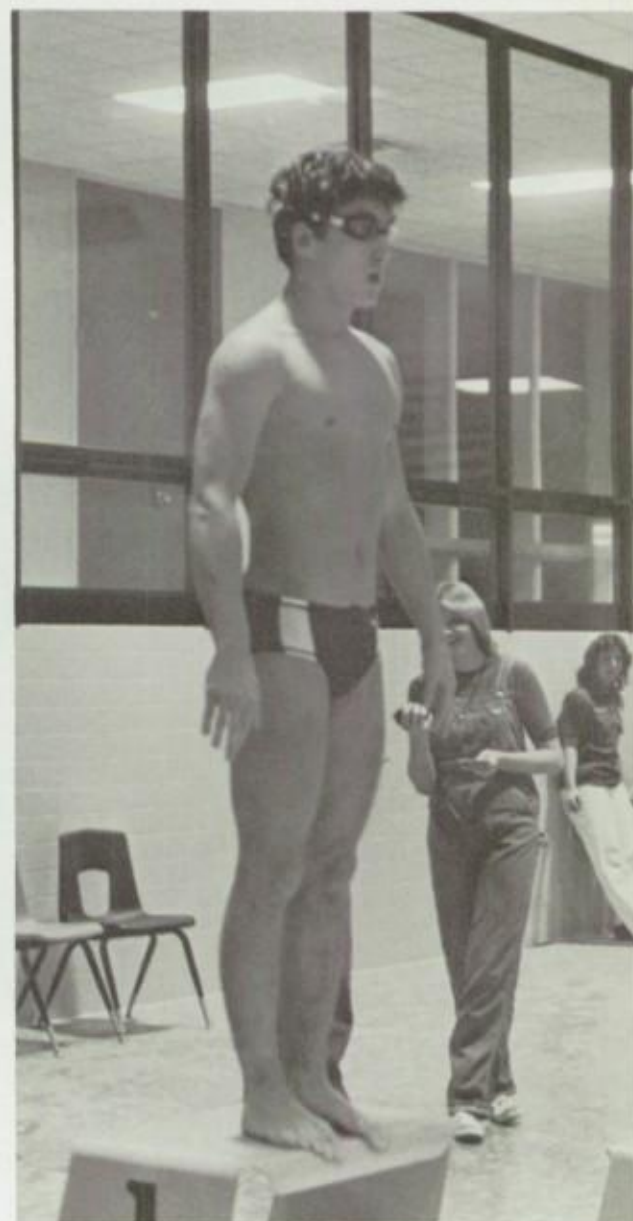

Individually, Kurt Schoening continues to dominate the central Indiana area with his tremendous swimming ability. He is undefeated in all of his individual events with a current record of 28-0. He has broken five records: the 500 yd. freestyle, the 200 yd. freestyle, the 100 yd. freestyle, the 50 yd. freestyle and the 100 yd. backstroke.

David Arwood, Brent Taylor, Brian Poynter, Mark David and Curt Janneck have all turned in good performances this season. Brent established a new school record in diving at the Plainfield meet with a score of 229 points. The team is looking forward to the upcoming sectionals and we wish them the best of luck!

Punt, Pass & Kick

The Warrior Football season of 1979 was a talked about season. The warriors had the leader of offense, Q.B. Norm Fish, returning, and the meanest defensive line backer that D.H.S. has ever seen, Bruce Summerlot, with other building blocks like Kurt Holtsclaw and Jeff Leath at ends, the Warriors had a strong foundation for the passing game, the Warriors had been lacking in past years. The Warriors also had the very speedy backfield that every team hopes for, with Kelly Lehr, Greg Earnest, and Brad Burnell.

A big item that tends to be forgotten is the front line that gives the Q.B. time to pass, and a hole big enough to drive 2 Mack Trucks through. Danville's was tough.

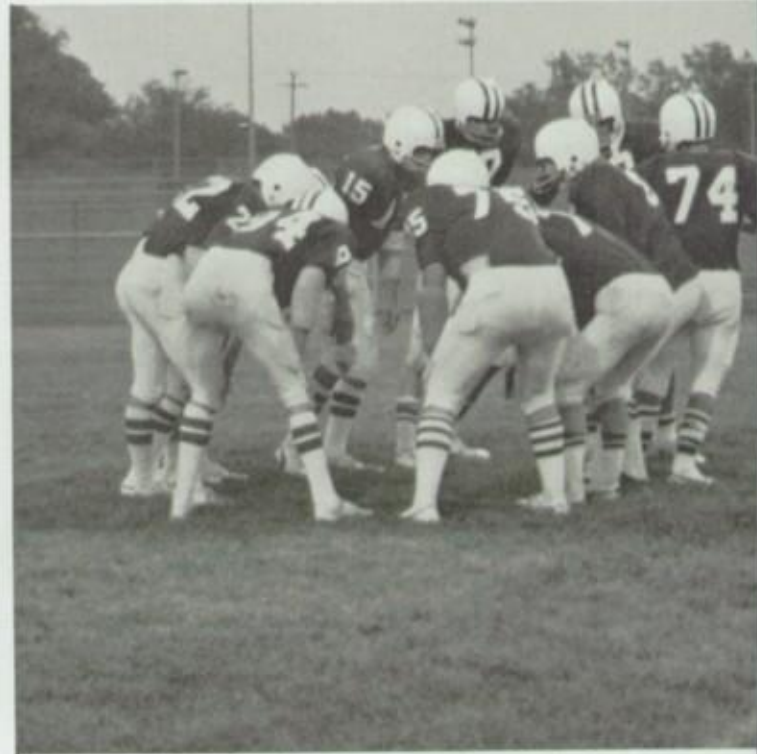

It wasn't all offense that won all the ball games, it took alot of hard hitting by the defense to keep the Warriors alive when they were down, with Kurt Schoening, Mike Shelley, Greg Scott, Gary Hauser, and Pat Boyden as the front line, not much yardage was gained by the opposing team. If occasionally they got through its big strong line they were soon stopped by the secondary and the linebacker squads. This was the defense that rejected any kind of attack to penetrate the Warrior defense. This defense really "chewed em up and spit em back out.

Next year's Reserve squad will take over as most of the Varsity's population was seniors. The reserves played well this year and next years team will be a key to the success of the 1980 Warrior Football Season.

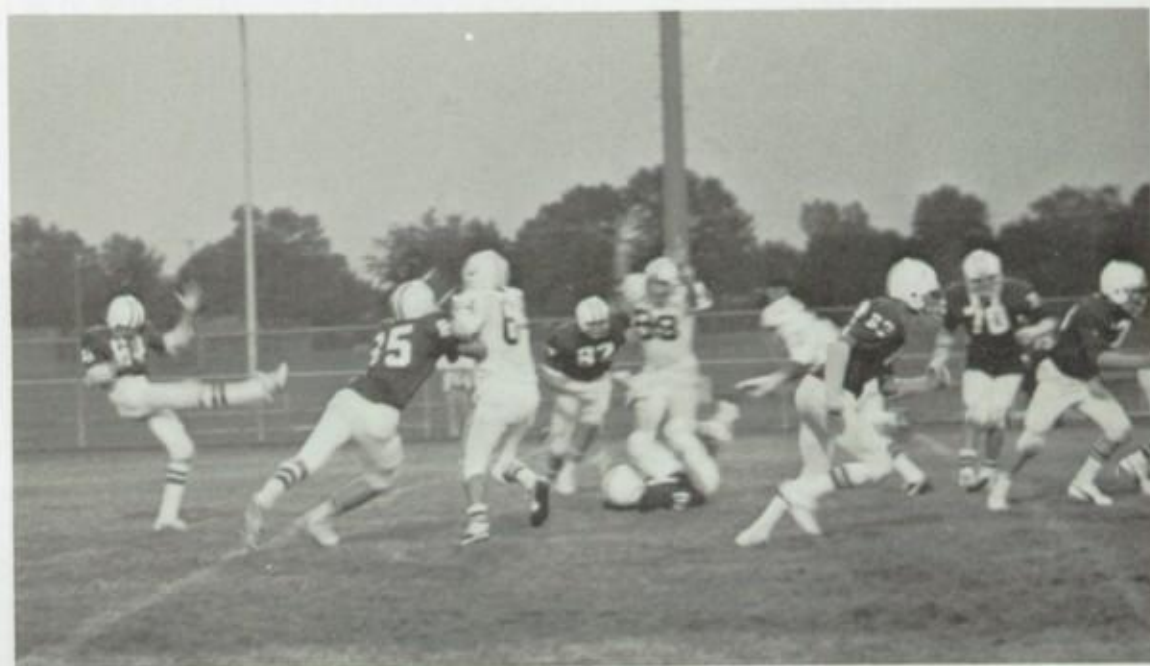

Row 1. G. Walters, K. Heiss, J. Schmink, K. Lofton, C. Trapp, G. Stetter, R. Summerlot, M. Boyden, S. Moore, B. Heiss, M. Amerman, Row 2. T. Hinkle, S. Raymer, V. Boone, L. Corum, J. Hassler, M. Morgan, E. Willard, C. Stevenson, D. Harrison, Row 3. L. Mitchell, B. Tooley, E. Schoening, G. Gibbs, B. Zimmerman, T. Griffith, E. Parson, J. Gibbs.

The 1979 Warrior Reserve season had an outstanding season of play. With a record of 5 wins and 1 loss, Coach Schmink has to be pleased. The toughest game and only loss was against Monrovia, and it ended with a score of 8-6. The Warrior Reserves were made up of many talented and experienced Juniors. With Q.B. Earl Parsons to lead the offense, along with fullback Lee Mitchell, the Warriors had a good scoring team. Defensively to stop their opponents, were linebackers Mark Morgan and Eric Willard. Also to assist the defense was Robert Summerlot at the safety position. It was players like these that truly made this season a very successful one.

Reserves . . . Getting Ready

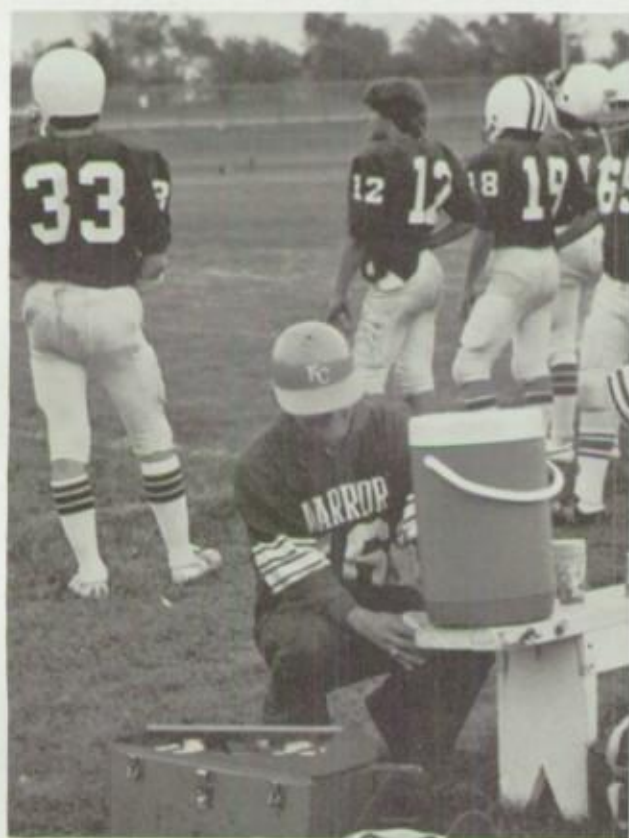

Freshmen Take The Field

The young Warriors of D.H.S. have not let the word "freshman" stand in their way. As Mr. Messenger coached the Freshman Warriors to a 7-2-1 record, he proved to have some pretty talented young men to help assist next year's varsity squad. The Freshman Warriors had outstanding Q.B. Jeff Moore to help their scoring game. Randy White was there when needed to get their passing game going. And with Brian Hugler at center, the Warriors had the needed blocking for short yards. On defense was Loren Pickens to drop the backs that attempted to get through.

This kind of talent will be called upon heavily on next years varsity and reserve football squad.

We're On Our Way

The Girl's Varsity Basketball Team this year put forth a great effort. With only one Senior, the girls were young and needed more playing time and practices. Looking for a more experienced group, next year there will be a summer basketball program for all the girls. This season's leading scorer was Donna Norris; Kathy Eddy was the sectional Tourney "Hot Shot" scoring 19 pts.; leading rebounder was Julie Schoening for both the Varsity and reserve. Both coaches, Stephanie Wyne and Buel Gonzales are looking toward a great season of Girl's Basketball at D.H.S.

"Reserves," who are they?

They are the girls who help out the varsity and help each other as well. The 79-80 reserves were definitely an inexperienced team that consisted of quite a few freshmen. These young ladies worked hard to help each other while Mr. Gonzales, the coach, was busy helping them with their fakes, dribbling, passing, shooting and everything else that goes along with playing the game well. With good shooters like Wendy Graper, Pam and Pat Scott, Jodie Visker, Michelle Busenbark and Jenny Graper, the girls had what it takes but it is not just the offense that keeps, in the game it is the defense as well. With Sherri Costin and Julie Schoening on the boards for rebounds the team was successful in that area. The girls worked hard, and although their record did not show it, they were still a good team. They'll be the ones who will benefit with more time. With this determination, next year's team will be even more dynamic.

WATCH THIS FANCY LEG WORK!

A Team Full Of Steam

Plus The 'Mean Machine'

The main factor for the 1979-80 Varsity Warrior Basketball Team was not the height, not the excellent coaching but the team's special ability to . . . "Hustle." The Warriors were small, true; but the mighty Warriors usually ran their opponents dead. With only two returning lettermen from last year's excellent team, the Warriors were lacking "Varsity Experience." This meaning that the members of this year's team was made up of last year's Reserves. But this did not affect the Warriors at first, for they won their 3 games in a row. The Warriors had seven Seniors on the squad, while being helped very much from four important Juniors. Next year's team should be as good of a team as any other team to come from Danville, because of one remaining factor; Coach Gary "Cookie," Cook.

Row 1. Gary Stetler Mang., Paul Hadley, Chris Trapp, Sam Knotts, Steve Ward, Jeff Shelton, Chuck Stevenson Mang.
Row 2. Coach Denny Leathers, Bert Summerlot, Todd Griffith, Eric Schoening, Kipp Farmer, Terry Bolton, Gary Gibbs.

On Their Way Up . . . Reserves . . .

The reserves this year were a relatively young team consisting of 10 sophomores and one freshman. The Warrior team definitely has no problems on the size of their team. With Gary Gibbs and Eric Schoening at 6'3", and Terry Bolton & Kipp Farmer at 6'1", The Warrior's had the strong rebounding needed. The outside scoring the Warrior's had, came from Jeff Shelton, Steve Ward, and Todd Griffith. All are important in having a successful season, but the fact the Warrior's had a strong bench gave an edge towards the success of their season. With Bert Summerlot, Sam Knotts, Paul Hadley, and Chris Trapp coming off to help aid in a Warrior victory. All are important members of the team, but without the great coaching job contributed by Coach Lethers, the Warrior's would not be the success that they are now.

And Freshmen

First year as Freshmen Coach, Rick Belcher proved to be very talented as well as a knowledgeable coach. He often practices with his team to make them more aggressive and better on defense. He has a fine group of young men to work with, he commented. He enjoys coaching very much and likes the cooperation of his team. They have a lot of fun, but in the same aspect, hard work and the determination to play the game is required. He feels that the team as a whole is pretty much all equal in ability. Considering that only one player has started since his seventh grade year, his team is still a good solid team. The attitude of his players are making them winners, along with the quickness and poise his team maintains. With this type of coaching and backing, the future teams are sure to benefit and *Move On to Victory.*

Take Down!

When fans go to a championship wrestling match, they are apt to see two grown men in very tight suits throwing fists and forearms at each other. These "Professionals" also throw cross-body blocks and flying mares as if they were out to kill each other. However, this is not what high school wrestling is all about.

High School wrestling has many things involved that professional wrestling does not have. For instance the difference in the style of wrestling: in high school there is much more constant body contact because of the moves and countermoves. Our D.H.S. wrestlers spend much of their time running stair laps to keep up the oxygen supply needed to spar in practice as well as in the boy's meets. The team's two captains, Mike and Pat Boyden, were a very important part of the team providing the squad with their leadership. The team had several outstanding wrestlers that contributed much to the *TEAM*. Winning the 167-pound title in the county tourney, was Aaron Vittetow, a Senior who contributed a great amount of effort to his team. Other strong performers on the team were Dan Zielinski, Dan Harrison, Mike Molloy, Earl Parsons, Ted Zielinski and Jud Schmink. Of course there were some very good reserve wrestlers like Gary Vandergrift, Stan Stringefellow, Jim Ettienne, Ken Lofton and each one on the reserve squad. The entire wrestling team worked very hard together and the hard work started to show towards the end of the season. The heavy-weight wrestler for the team was Dave Gillespie. His determination was very promising considering this was his first year in wrestling. Dave's case is one which brings to mind the pride that all of the athletes at D.H.S. possess.

This is the first year for the Art Club and they have accomplished many great feats and produced many a masterpiece these past eight months.

They demonstrated their magnificent talents before the beloved school faculty, held a Yuletique for bewildered Christmas shoppers, presented the school with a frame for an unframed painting and held a successful spring art show for the prospective artists.

As the year moved on, aesthetic quality was spread throughout Danville High School, and like Spring blossoms, artists were budding everywhere.

Audio-Visual

(L to R) Sponsor Miss Selsor, J. Barfell, J. Leath, K. Lehr, G. Bradley, G. Seger, M. Guido, P. Wilson, M. Orelup, D. Harrison, B. Greeson, and not pictured Ralph Whitaker.

The audiovisual area is designed to provide supplemental materials to teachers for classroom use. Equipment is available to show films, filmstrips, transparencies and slides; to listen to records and tapes, and to laminate pictures for the teacher's bulletin boards. These supplemental materials are made available through the efforts of students who volunteer to assist Miss Selsor with preparation and delivery to the classroom.

A popular area of this department is the Television Studio. Students enjoy video taping sports events with practice in play by play announcing as well as camera work. Students use the T.V. Studio for their projects and exhibits they wish to produce for the media fair. The interested students write, direct and produce their own exhibits choosing from Video Tapes, Audio presentations, slide or photography entries. This is a very good department for the person who is interested in the activities listed above and they are encouraged to participate in them.

Fellowship Of Christian Athletes

Being a Christian athlete can be rewarding in many aspects. Competing in sports in a Christ-like manor can improve your attitude toward your opponents, team-mates, and coaches. It will help you put the proper significance on sports and you will learn from your participation. Whether you are "movin' on" out on the track or waiting underneath the basket for a "baseball" pass, you will always know you have someone special on your own personal team . . .

Members of the organization are: Seniors: R. Walker, R. Walker, D. Hodge, B. Taylor, S. Knotts, J. Smeaton, J. Bailey, C. Rhodes, R. Larison, S. Humphrey, N. Keeling, J. Richardson, R. White, D. The Tri-Hi-Y is a Christian girls organization for sophomores, juniors and seniors. The purpose of the Tri-Hi-Y is "To create, maintain, and extend throughout the school, home, and community, High standards of Christian living." Throughout the year, we are engaged in various activities. At Homecoming, we usually enter a car in the parade and do a little something for the Queen candidates. We hold on the annual Snowflake Dance after a basketball game which is always a successful, money-making project. Another money-making project is the annual basketball game against the Letterman.

Every senior girl choses a woman to be her Ideal Lady. In March, we will have a tea to honor those women that the seniors girls look up to and would like to be like. We buy magazines for the LMC and decorate it at Christmas time. All in all, the club is busy all year long, helping others and having fun.

If you have ever wondered why the yearbook looks the way it does, after viewing the crew above, the question is surely answered. These people had to prove their salesmanship when selling ads, and the yearbooks themselves; their typing ability as deadlines neared, their photography ability as photos were needed; their literary ability as copy was needed, their memory ability as students by the hundred had to be identified for pictures. They also had to learn to handle money (which they enjoyed); and to be entrepreneurs when they took charge of the refreshment stand at a ballgame and hosted a super sock-hop. To top it off, these people had to retain their sense of humor when everything seemed to be going wrong . . . and obviously . . . they did. Sponsor Mrs. Kisner is absent from the photo as she didn't have a "dress" for the occasion. Joining the staff mid-year was Vic Pelter.

Pow Wow

Row 1 — Karen Pate, Linda Sutton, Carla Janneck, Marianne Mower, Sanja Humpress, Jeanne Pierce. Row 2 — John Seargent, Krista Thompson, Terri Long, Lori Schmeltzer, Cheryl Ogborn, Marge Colvin, Phylis Salsman, Lisa Gregory, Sara Hartung, Mrs. Sutton. Row 3 — Phillip Wilson, Mike Waddel, David Beightol, Ges Seger, Kurt Schoening.

When listening for the latest gossip, searching for the latest news, or reporting the most exciting action reporters are an essential key in the publication of the Pow Wow, and patient typists also play an important part in getting the paper out on time.

The Christmas season is a busy time of year for the Pow Wow Staff. Many hours of work are involved in putting in print the Christmas edition. It is a large money-making project for the staff of the Pow Wow and a "cheap" way for students and faculty to say "Merry Christmas" to friends and sweethearts.

Late night deadlines and much hard work go into the bi-monthly publication of the school paper, and with Mrs. Sutton there to lead them, they shall endeavor to keep "Movin' On".

Social Studies Club

Left to right starting at top: A. Gillespie, J. Morris, E. Zimmerman, J. Moore, R. White, R. Robbins, B. Myers, M. Moore, Mr. Harmon, A. Pritchett, C. Peyton, E. Parsons, D. Malicoat, M. The members of the Social Studies Activities Club know that history can be an exciting learning experience. Every year programs involving trips to cities, museums, and other historical landmarks are planned.

The Social Studies Activities Club visited Connor Prairie Farm in Noblesville, in October, and saw a recreated village of the 1830's and spoke with many of the "villagers" whose dialogue was that of a typical rural community in Indiana in 1836.

Lettermens Club

The thought of earning enough varsity points to be admitted to the Lettermen's Club may seem difficult to some people, but not to the average D.H.S. athlete. To be eligible to become a member of the Lettermen's Club, 200 varsity points or 100 varsity and 150 reserve and frosh points are needed. Becoming a letterman is hard and for the Seniors who will be "movin' on" there will be many other outstanding athletes to take their place.

Ensuring a good sportsmen-like environment is essential; and the lettermen try hard to help create and maintain this feeling. Those lettermen are really "Movin' On!"

Quill And Scroll

*Front row left to right: Sara Hartung, Karla Janneck, Tracey Whitmore, Jequettea Van Scyoc, Sara Graper, Debbie Hiatt.
Back row left to right: Mrs. Sutton, Linda Sutton, Marianne Mowrer, Ges Seger, Kay Almond and Pam Deckard.*

The Quill and Scroll is a national journalistic honorary organization for high school students that have been involved with high school publications and are scholastically in the upper third of their class. At D.H.S. this includes the staff members of the yearbook and school newspaper. These people have devoted much of their time and efforts to the formation of these publications and as a result have provided the student body with plenty of informative and enjoyable reading.

Tee Pee Trails

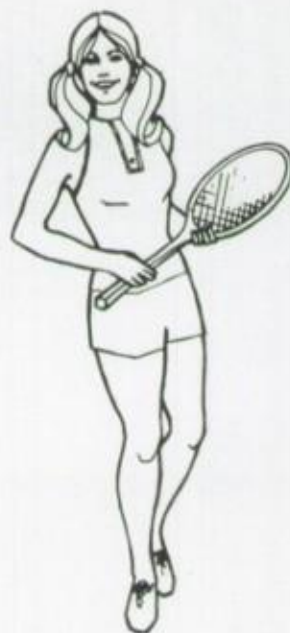

L. to R. Mr. Swengel, Melody Warnock, Kim Franklin, Rebecca Larison, Jequettea Van Scyoc, Krista Thompson, Sara Hartung

Tee Pee Trails is a literary publication that is for the students. Poetry, prose, short stories, essays, parables, or just creative thoughts make up this publication. The exciting part of this is that DHS students are the ones who do this creative writing. Many people have the ability to write, only they may be unaware of it, and it is our goal to discover these people and help them discover themselves. Creative writing is here to stay and it is moving on to changing times.

Varsity Club

The Varsity Club was formed this year for the gals that lettered in a varsity sport. Hard work and determination have led these girls to be leaders and achievers who have been rewarded with a letter and now their own club. This is real proof that D.H.S. girls athletic program has come a long way and is going to continue to "move on".

Yeh! We've Come a Long Way!!

When asked what the purpose of the Chess Club was, the answer to this was relevant. To develop mental skills and to make your brain think ahead as many as 6 to 8 moves at a time. The Chess Club has grown over the years at Danville High School. From as few as 2 to 3 members to today's amount of over a dozen. Many people at D.H.S. are not taking part in participation of the D.H.S. Chess Club. We urge the students who are interested in a challenging game of minds to join the club.

FHA

1st row: K. Morgan, S. Grace, R. Van Scyoc, A. Gillespie, S. Van Scyoc, J. Van Scyoc, C. Rhodes, H. Brown, J. Stevens. 2nd row: C. Wynn, D. Jackson, L. Sutton, D. Higgins, M. Herring, J. Doane, M. As usual the FHA has had a busy year. They sponsored the Sweetheart Dance and the crowning of the "King". They prepared a Thanksgiving dinner for the County Home.

The Christmas party was different. The memories of the game "Twister" will not be forgotten.

FHA means "preparing for the future to grow and mature with our society, learning to cope with ourselves and others."

The Home Economics Club was a branch off from FHA. They wanted and needed male participants. More males were interested after the name "Home Economics Club" was evolved. The Home Ec. Club enjoyed baking a cake and a lot of cookies.

Vitoskey Fan Club

1st row: D. Harrison, S. Blaydes, M. Colven, D. McClellan, 2nd row: S. Hartung, P. Harrison, M. Orelup, G. Seger, R. White, 3rd row: L. Sutton, M. Warnock, S. Kittle, L. Trent, R. Boyd, K. Thompson.

The Vitosky Fan Club is made up of various dedicated Thespians, Drama Club Members, and people who just think "V" is it. It all started one dreary night at a basketball game while the Drama Club found themselves working in the concession stand. In order to retain the last bit of sanity left in the group, it was decided to start a fan club . . . but for what, who??! Finally, after seconds of thought and evaluation, Mr. Vitosky was chosen as the foundation of our organization. Thus begins the 'Tosky Fan Club.' Motto: "... the fog is rising." Song: *Still Crazy After All These Years*. Dues: \$5.00 per semester. Let this be a reminder: Nobody has paid their dues yet and if they don't pay soon we'll have to start a "Leathers Fan Club," — and there couldn't be anything worse!!!!

(Note* a few of the above people are not really "fans"; they just arrived too late to be pictured with the Speech and/or Thespian Club.)

Honor Society

Row 1, L. to R: A. Lentz, Treas., L. Haltom, Secy., T. Lynch, V. Pres., and Marianne Mowrer, Pres. Row 2: P. Deckard, L. Ward, G. McDonald, K. Montgomery Row 3: J. Retz, J. Pierce, K. Eddy, S. Bradley, K. Thompson, L. Henderson and A. Clark.

Many individuals believe that only "favorites" get inducted into the Honor Society. Well, it takes more than a little "apple shining" to become a member. Any junior or senior with a "B" average is eligible. Names of eligible students are given to the faculty members and they vote on a scale of 0-5 only on those students with which they have had contact, and feel they know fairly well. The vote is on the basis of character, service and leadership of the student. The purpose of the National Honor Society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of American secondary schools.

Seniors: J. Smeaton, R. White, G. Seger, P. Karlberg, M. Lofton, L. Ward, C. Keiffer, K. Wagner, J. Maxey
Juniors: D. Sunman, R. Boyd, B. Burnell, M. Orelup, K. Thompson, V. Evler, R. Lawson, K. Almond, A. Stevenson

Student Council

The Student Council? What do they ever do? They play a very active part in the D.H.S. student's life, that's what they do! Who do you think puts on the homecoming activities? The Vitosky Fan Club sure doesn't! The Student Council takes care of spirit week, pep-sessions during Homecoming, the spirit breakfast, the queen contest, and we can't forget the famous Homecoming Dance. This year they sponsored a powder-puff game and the guys got a big kick watching the girls trying to go "all the way down the field".

At Christmas time, the Student Council gave the foreign exchange students a party. After traditional "stuffing" and joking around, Pres. Rick White presented them with a phone call home. "Suprise!" was certainly the correct phrase to use, and laughter increased when "Chocolate Pie" and "Who?" were brought up about previous years.

The Student Council? What do they ever do? They try hard to keep the student body informed and get them involved in school convos. More convos, less class time. See, Student Council isn't as useless as they seem. And with Mr. O'Brien's "marvelous" supervision the D.H.S. Student Council keeps right on "Movin' On!"

Speech Club

D. Harrison, D. McClellan, M. Warnock, Mr. Mowery, B. Wehrman, K. Christie, P. Salsman, M. Colven, L. Sutton, G. Seger, R. Larison, D. Higgins, L. Trent, P. Harrison, R. Graper, J. Pitcock, B. Kincaid, M. Orelup, G. Vandagriff, D. Bollman, B. Greeson, A. Clark, B. Riggs, L. Chalfant, C. Trapp, J. Shelton, P. Hadley.

The speech club of '79-80 opened its season with good results and keeps on rolling. After a third-place win at Lebanon the members were encouraged to continue taking good numbers to meets and bringing home ribbons. With many underclassmen showing a great deal of fine promise, there is no doubt that the orators of DHS will keep going and keep on winning.

One hundred hours of work seems like a lot just to earn one small yellow card and the title "Thespian". When you have finally done it, you realize you were too busy building sets, adjusting make-up, directing, running lights or sound, or learning lines to count them. This year brought many hours of work to DHS's troupe #2246 as they presented Tennessee William's "The Glass Menagerie" in a first time dinner theatre setting made "Death Takes a Holiday" come to life, entertained little children, and prepared for the climax of the drama year the musical. All the world's a stage, and the men and women of DHS Thespians hope to be players upon it for quite a while, bringing the school and community quality performances of good drama.

Library Club

Seniors: Brian Booker, Jequettea Van Scyoc, Dodie Jackson, Karla Janneck, Lyle Kenworthy, Margaret Kerney, Mike Moore, Ja Lee Miller, Joe Nicholson, Linda Parsons, Nadine Faulkner, Cindy Wynn, David Gulley, Pat Spurlock, Ges Seger, Miriam Finlay, Charlotte Rhodes, Juniors: Jerald Gregory, Kathy Rolfson, Dan Dodson, Cheryl Peyton, Debbie Higgins, Marianne Herman, Jeff Sexton, Herb Flory, Randy Hutchinson, Jud Schmink, Andy Prichett, Randy Cook, Alice Clark, Sophomores: Vicki Brown, Lisa Gregory, Lorre Wood, Suzzane Kittle, Kenny Lofton, Terry Long, Becky McGonigal, Dawn Derington, Rose Douglas, Carol Boller, Freshman: Kim Morgan, Janice Adams, Angie Gillespie, Kathy Hiser, Darla Griffith, Kim Kisner, Doug Dodson.

"I'll be in the library 5th hour."

"You were in there 2nd hour! Who writes all of your passes?"

The members of the Library Club don't have to worry about passes. They just show their little card and they're out of class with no problem. These people are very helpful to students when they are "lost" in the stacks or files trying to find information as they have learned how a library is operated, and how to easily find what they are looking for — for themselves or others.

"Think you can get a pass?"

"Think I can join Library Club before 5th hour?"

Tints & Tones

These fine young ladies find pleasure in making beautiful music together. Each morning they warm up their voices and sing in SSA harmony. Performing at the Chili Supper is an annual event and they also like to think that the sound they produce makes people happy.

bottom to top: B. Taylor, S. Singleton, D. Blommer, R. Rarey, S. Wathen, R. Douglas, T. Shoenrock, A. Burnell, S. Cross, B. Morphew, K. Pate, S. Shockley, C. Harmon, Y. Grace, R. White, G. Wood.

Practices at 8:00 a.m., shouts of "Get the right notes people!" and "Smile! You look like a bunch of dead-beats!", and hours of choreography rehearsal all go into being part of Swing Choir.

This year these talented young singers performed at Christmas time more than once. They made their annual visit to the VA Hospital, sang at the Tri-Kappa sponsored "Santa Breakfast — Luncheon" and made their usual appearance at the school concert.

They brought home a ranking of superior at Solo-Ensemble contest and proceeded to State.

1st row: K. Birchler, M. Lofton, K. Christie, S. Humphrey, T. Hoffman, D. McClellan, L. Halton, K. McRoberts. 2nd row: D. Harrison, L. Geter, J. Shelton, B. Poynter, L. Mitchell, R. Swaine, D. Wentworth, P. Hanebutt, J. Maxey. Replacing Leo Geter who left mid-year is Willy Cowherd.

Third row left to right: J. Gibbs, G. Seger, J. Richardson.

The year started when they were critiqued by Dr. Pfautsch at De Pauw. The annual chili supper was next on their agenda followed by weeks of practice for their Christmas time activities. After viewing the Purdue Christmas Show they all came back hoping that "Unto Them a Great Performance Would be Born". Seeing Mom Poy smile when they finished singing on the circle during Christmas gave them all a pleasant feeling and at the party afterwards they all had a good laugh especially when Greg Bradley opened the gift of the evening ... (size small)!

The new year brought them contest music to memorize and the dreaded speech that Mrs.

Poynter gives year after year ... the one about "not caring", and that "it was up to us". Well, she left things up to them and they brought home nothing less than superior ratings, took 79 individuals to State Contest and made her proud to say that she was the Choral Director at D.H.S.

Spring Concert, graduation, it was all over. Another year passed with Mom Poy. The only lady around who can "Handle" any situation says she does not care, but works her heart out to make them the best and still has enough sense of humor and enthusiasm left to "Move On" with the "Changin' Times".

Pep Band

The school song, "rumble-beat", and "Go Big Red" are favorites of the students and spectators at our "Mighty Warrior" games. The pep band — a fine group of band students, help to get enthusiasm flowing when spirit start going. Playing us on to victory — they Keep "MOVIN' ON!"

Oswaldo Barrios, the foreign exchange student from Venezuela, likes to play soccer and baseball and loves to surf. He spent almost every weekend at the beach. Oswaldo's home is in Valencia, a city of one million. It is close to the Caribbean coast and is in the state of Carabobo. Oswaldo is the youngest in his family with three brothers and a sister, ages ranging from 19-27. His father is a director in a plastic glass company. He has two German shepherds named Dogman and Riso. In Venezuela, children begin school when they are three or four years old. They go for 12 years and graduate when they are 15 or 16. Classes are from 7:00 a.m. to 1:00 p.m. and they are 45 minute classes with 15 minute breaks in between every other class. In Venezuela students stay in one classroom. Oswaldo says classes are quieter here and students are more respectful. He graduated last year and when he returns to Valencia, Oswaldo plans to go to a university and wants to be a dentist.

Peter is from Stockholm, Sweden where he lives with his mother. Stockholm is a unique city. It is built on twelve islands connected by about forty bridges. It has a population of approximately 1,350,000. Stockholm is located in the southern one-third of Sweden on the east coast of the Baltic Sea, where Peter likes to dive.

Peter speaks English very well considering Swedish is his mother tongue. He has taken seven years of English, six of which were required, along with four years of German and one year of French. Peter also knows a little Greek from his many vacations in Greece.

"School is easier here. There is less homework, but more discipline," commented Peter. In Sweden the students are permitted to leave school for lunch. Materials are free but taxes are higher to make up for it.

Peter lives with the Mowrer family. He is interested in many sports, his favorite being scuba diving. Peter enjoys running, snow and water skiing, swimming, and ice hockey.

Hiking, drawing, and painting are a few of his hobbies. Here at Danville he is running cross country and is on the swim team.

"After living in a big city, Danville is a nice change."

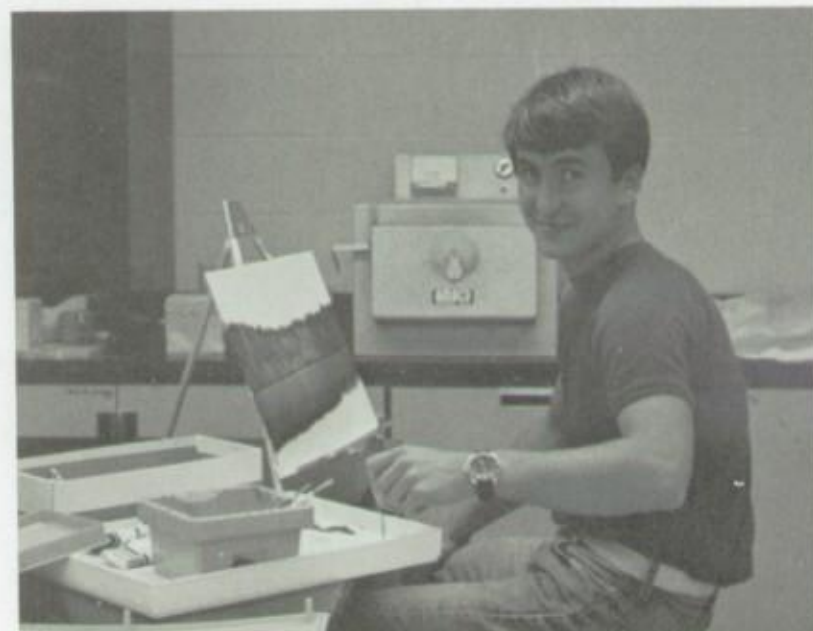

Fabian Wirth came from Bremen, West Germany to the United States as a foreign exchange student. He is staying with the Noels. Fabian, an only child whose father is a journalist and whose mother teaches politics at a local university, plans to go to college but has no plans to follow in either his father's or mother's footsteps.

Fabian enjoys playing basketball and was on the volleyball team in Germany. He reads in his spare time.

Schools differ largely in Bremen. The school day starts at 8:00 and lasts until 11:30 or 12:30. No lunches are served at the school. School is in session six days a week. There are ten subjects, and classes meet two or three times a week. Students cannot choose their classes. English is mandatory and is taught starting with the fifth grade.

American Students See Europe

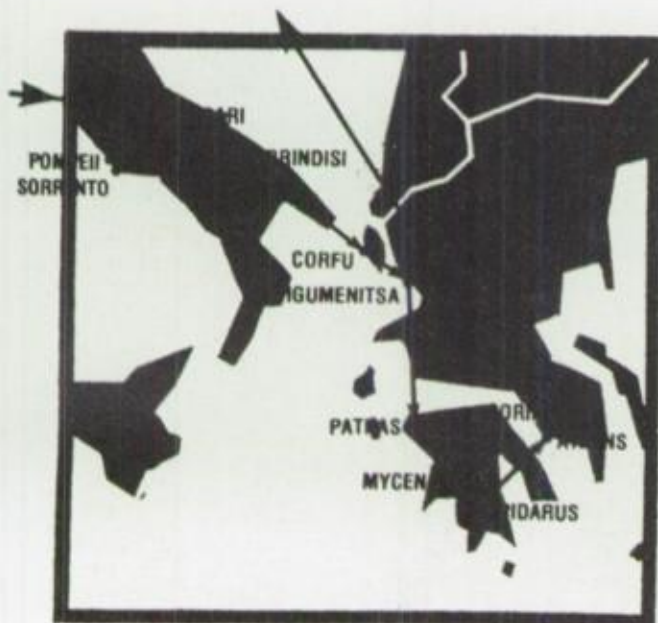

With an obvious variety of thoughts about the spring vacation tour to Europe are: (l. to r.) David Gulley, Dan Zielinski, Cindy Smith, Stan Knotts, Melanie Zigler, Kenny Montgomery, Karla Janneck, Brent Taylor, Kay Almond and Mike Boyden. Also going and pictured on the following page doing a little "trip research" in the library are: Debbie Hiatt, Cindy Smith, Rebecca Lawson and Greg Fuller.

From four students in 1977, to fourteen in 1980, the Spring vacation trips to Europe have grown. What fun and adventures they have are readily shared with friends "back home." To say this is a great educational and cultural experience is seen in our return students: Karla, Mel, Kenny and Stan are returning from last year; Debbie is returning from the 1978 group. We are sorry Marianne Mowrer can't make it "three in a row" but she was with us in '78 and '79, another "two-timer."

Stan has a new camera for this trip. We hope his photography will improve. Last year he passed around a totally black Polaroid print which he said was "Paris at night." Last year Mel learned to yodel, and "won" a *big beer* as a prize, (which she declined). This year maybe she will sing "Carmen" in the Colosseum. Karla and Debbie love to shop . . . what experiences they have had . . . and are ready for more. Kenny, knowing how to travel subterraneanly, is ready to lead the group through the catacombs. Ready or not, Italy and Greece: HERE WE COME!!!!!!!!!!!!!!!!!!!!!!!!!!!!

European Students See America

Seven foreign exchange students joined the "Possum Trot" during Thanksgiving break. L to R, front to back: Helgi (exchange student from Germany at Cascade), Mr. Odle, Kathy Birchler, Annie Jones, Gaylan, Paul Cook, Kurt Anderson, Eileen Barrett, Eric, David Stump, Scott Ball, Fabian Wirth (from Germany), Rick Jones, Marianne Mowrer, Nora Keeling, Bob Linn, Kim Kisner, Larry Deckard, Oswaldo Barrios (from Venezuela), Diana Pedigo, Eva, (exchange student, Peru, In., from Sweden), Linda Heminger, Bill (at Peru, from Spain), Jequettea Van Scyoc, John Hays, Angie Pedigo, Cindy Smith, Steve Eldridge, Colleen Frank, Jo Ellen, Michelle Lewis, Caireen Brain, Shelly Brickler, Peter Karlberg (from Sweden), Ollie (at Peru from Sweden), Mr. Mike, and the unseen photographer, Pam Deckard.

What a way to spend Thanksgiving day ... "on top of 'Ol Smoky." The climb was tough, tedious and tiring, and there were times the troupes didn't think they would make it to the top. But, finally there, the consensus was "we didn't work hard enough to deserve the glorious view."

Are they digging for clams? Trying to find shells? Building a sand castle? no, they are burying a body in the sand. When it was time to Move On, they uncovered . . . Larry Deckard. Next stop, DISNEYWORLD!!!!!!

"From the mountains to the . . . " beach they went. A whirlwind tour of some of America's most popular attractions was experienced by our exchange students during Thanksgiving vacation. The bus left Danville after supper Wednesday, and Thanksgiving dinner was eaten in the Great Smoky Mountains. Friday was spent on a Florida beach with sun and fun galore. DISNEYWORLD, yes, Saturday was the day for Fantastic, Fabulous Disneyworld! Late Saturday night as the gates closed behind them, the group boarded the bus for the looong ride home. The trip was sponsored by Taylor University and St. Augustine's Episcopal Church through the expert guidance and handling of Dave Odle. The teens from several of the churches in Danville, and their youth leaders joined in this adventure. Tired as they were on Monday morning, they all could be heard talking about "next year."

Our

DEAR D.H.S.

FOR 4 years you have confused me with my BROTHER, So this is for you:

I'M RICK NOT RANDY

THANK YOU! Rick "80"

I was born a poor ~~child~~ child.

Actually, my mother had complications due to the sudden enlargement of my head. I'm now going bald and have "frippped my wid." To my chocolate chip, you really are a crumbly person. Thank you Naven Hodge

Dear Naven,

As your Fairy God father, with a larger head, I found your special purpose... You can be a "Basketball". Don't worry it has its ups and downs. And just because you "dribble" all over the court does not mean it's the end of the world! Look at it this way you could have been an oversized ostrich egg. Keep your head low and be careful Naven.

P.S. Keep send money home, Love Randy Walker
I need A special Purpose! FAIRY God Father

Remember: Time Will Pass, Will you??
